

### WALK 4 – MORTON STANLEY PARK AND REDDITCH GOLF CLUB

**Walk description:** About 3 miles around Morton Stanley Park and Redditch Golf Club on town and parkland paved paths with a short spell on Green Lane. No stiles and some gradual slopes. Park in Morton Stanley upper car park off Windmill Drive, B97 5QA.

**Walk details:** In the parking area walk along the pedestrian crossing through to the path which skirts the parking area and turn left.

Pass the café and take the next path which goes off on the right so you are still alongside Windmill Drive, which is beyond the trees.

This path takes you out of the park. Don't go right under the underpass but continue ahead with Windmill Drive on your right and the golf course on your left.

After about 400m you will reach Marlpit Farm. Here you need to do a left then right dogleg to maintain direction. After about another 400 m, where the golf course comes to an end, turn left. Don't go ahead under the underpass.

The first path on the left after that will take you down into Weatheroak Close. Walk on the left hand pavement, soon going uphill, and, nearly at the top, a wide paved path on the left will take you down steps between houses. Follow the path round to the right and now the golf course will be on your left again.

Continue ahead, passing a small children's play area on your right. The golf course will end and you will have a field on your left before emerging onto Green Lane. **Warning: This exit is sudden so please look out for fast moving traffic although Green Lane is usually fairly quiet.**

Turn left downhill for about ½ km when you will reach Morton Stanley bottom car park on your left. From here it's a walk in the park back to the top car park.
