

Imagine the thrill of soaring through the sky as you glide effortlessly above stunning Warwickshire landscapes. Discover the ultimate blend of tranquillity and exhilaration as you experience the freedom of flight.

From May to September, we open our Club for groups of 8 to 15 guests depending on the time of year. You will have the Club to yourselves, with our members and instructors helping to give you an unforgettable experience.

Friends and family spectators are welcome to come along to watch the proceedings and enjoy the atmosphere and perhaps you may wish to have a drink at the Stick & Rudder after flying has finished.

We start the evenings at six o'clock. Everyone is given a safety briefing to ensure you are safe in the air as well as on the ground. You'll be flown by one of our highly qualified pilots, who will ensure that you will get the most from your flight.

The flights tend to be shorter than during the day – usually between seven and ten minutes, and this is reflected in the prices.

Who Can Fly?

We can fly anyone aged 13 or over providing they pass some physical requirements imposed by the design of our aircraft. You need to be between 145cm and 193cm tall (4' 9" to 6' 4") and weigh between 55kg and 100kg (8st 9lbs to 15st 10lbs).

Getting in and out of our gliders is akin to getting in and out of a bath, though we can provide help to those who are less mobile than they used to be.

Costs

The cost for 2025 is £45 per flight, with discounts for CASC, under 18s and charities. Should anyone want a second flight they are charged at £15 each.

Included in the cost is 28 days membership of our Club, so any of the group can come back and try gliding as a member charged at member rates.

Fun is included at no extra cost!

Weather Conditions

Of course, we are subject to weather conditions on the day. Should we need to postpone your evening, we will try our best to contact you before anyone starts their journey to Snitterfield Airfield and we will arrange another suitable date for your group.

Availability

Most Tuesdays and some Thursday evenings from May to the end of August.

How to Book

Email evenings@stratfordgliding.co.uk and let us know what date(s) you would like to come along. We'll get back to you promptly to get everything organised.
