

Rowberry's to Chaddesley Corbett walk

This walk is 2.5 miles

The terrain is fairly flat, passing mainly through farmland and a short distance on roads. You will get the chance to walk through the churchyard where you will be able to sit and rest for a few minutes.

1. Leave Rowberry's car park and turn LEFT to follow the track with the greenhouses on your left
2. Follow the main path ie avoid going back into Rowberry's and the farm
3. At a meeting of paths do not take the first track left towards the church spire but take the next left slightly up hill towards some big trees ie Do Not take the right hand path around by the pool.
4. There is another meeting of paths - take the left hand track (which looks like it is away from the main track) keeping a large hedge and the oak trees on your right.
5. By the trees there is a metal gate (Depending on the time of year and what the farmer needs to do in the fields you may need to go through the metal gate or just keep right up the track). You are now on the public footpath, The Monarch's Way.
6. You will then reach a T junction turn- Turn Left up an unpaved track bordered by hedges.
7. The road bears left BUT we carry on straight ahead past a litter bin, through a gate following the footpath towards allotments
8. We arrive at a junction with a pretty bungalow ahead of you with a wall hanging of swifts! Continue bearing right with the bungalow on your left.
9. This brings us to the Main Street in Chaddesley Corbett.

NOTE: if you want to do a very short walk, turn left and follow the road back to Rowberry's

10. Turn right and continue down this road taking care to avoid traffic.
11. Just as you approach the bend of the road you will see a narrow lane off to the left signposted Monarchs Way - take care when crossing the road and follow the narrow lane which is slightly up hill.

12. About half way up the hill you will come to a house on the left called Green Acres, Turn left and follow the footpath, still the Monarch's Way. Keeping the house on your left , through some gates, keep straight ahead
13. Pass through a kissing gate with a field on the left.
14. Keeping right by the hedge a short distance and then you will walk through the middle of the field heading towards an line of poplar trees
15. Continue ahead along this track passing derelict greenhouses on your right.
16. When you reach the main road with Brockencote Hall on the opposite side - Turn LEFT down the road back towards Chaddesley Corbet. Please note this is a busy road and the pavement is narrow - Please take care.
17. Walk a short distance and just before the junction there is a narrow path leading up to the church
18. Follow the path around keeping the church on your left until you go through a lych gate onto the main Chaddesley Corbet high street.
19. Cross the road and turn RIGHT. After a short distance you will see a left turn into a lane opposite the church passing Spencer House on your left
20. Toward the top of the incline after the houses on your left do not go straight but turn LEFT through the Chaddesley Corbet Allotments
21. After the allotments you will see the house with the swifts on its wall that you passed earlier. Turn right back up the track you previously came down at the beginning of the walk.
22. At the top of this track you will notice the litter bin you saw before - turn left then a right turn back towards Rowberry's,
23. Hope you enjoyed your walk of just about 2.5 miles 😊
